## VETERAN OWNED AND OPERATED

**From:** Phoenix Rising Management, LLC (PRM)

**Subject:** PRM purchase of CARE Property Management Services (Care)

PRM is pleased to announce the purchase of Care a Chicagoland based residential community association management company.

Through this acquisition, we form a stronger, more capable and better resourced organization with a continued commitment to service. The Care portfolio is consistent with our current client base and complements the PRM business model.

To support this addition, we have obtained additional commercial space and hired more staff including; Community Managers, Accountants, Facility Engineers and Custodians.

We have taken special care to ensure there will not be a disruption or degradation of services to our existing client base.

Ms. Carrie Surratt, the former CEO of Care, will assume the role of Team Leader at the PRM South Office. Carrie is a respected industry professional and brings a unique capability to our team. She is a most welcome addition.

None of this is possible without the continued support of our clients. We appreciate your business and take great pride in servicing each community.

Please feel free to contact me if you have any questions regarding this development; (312) 850-3251 (extension 1070) or [mk@prmchicago.com](mailto:mk@prmchicago.com).

Sincerely,

Mike Kennelly  
CEO, Phoenix Rising Management, LLC.
